THE BEST OF THE ROCKIES

Glacier Stone Supply, LLC is your premier natural stone company providing our clients with "The Best of The Rockies." We are located in the picturesque Northwest corner of Montana right in the heart of the Northern Rockies and adjacent to Glacier National Park. This incredible living showcase features the grandeur of the Rocky Mountains and the rich glacial history that provides us with the most beautiful natural stone colors. We are proud to deliver the timeless beauty, ruggedness and enduring nature of the Rocky Mountains to your doorstep. Glacier Stone Supply is the source for all of your building projects, providing our Natural Stone in our trademark Natural Lite™ Thin Veneer, Full Stone Veneer, Architectural Stone and a myriad of Landscape products.

As the largest supplier of natural stone thin veneer in the Pacific Northwest, we are currently operating 19 quarries to provide you with the exact look your project requires. Our customers range from multi-million dollar commercial and residential developments to simple fireplace and outdoor kitchen projects. Our vast distribution network covers the entire United States as well as Canada and the number of locations continues to grow every month. The company's growth can be directly attributed to our sincere desire to provide the highest level of customer service and deliver above and beyond our customers' expectations. Please contact your local distributor or call us today and let us listen and understand your needs to provide the perfect natural stone solution.

NATURAL LITE™ THIN VENEER

Natural stone provides a visual class and permanence that no other interior or exterior product can provide. It has unique qualities that only Mother Nature can produce.

Natural Lite™ Thin Veneer (NLTV) is a lightweight alternative to full stone and a higher quality alternative to manufactured stone. Our natural stone, both full stone and thin veneer, is available in the following shapes; Ledge, Random / Mosaic, Squares & Rectangles as well as custom cuts.

LEDGESTONE
Length: 6" to 16"+
Height: 1" to 8"
Thickness: .5" to 1.5"

CORNERS
Length: 2" to 10"
Height: 1" to 8"
Thickness: .5" to 1.5"

SPECIALIZING IN THE REVOLUTIONARY NATURAL LITE™ THIN VENEER

Canyon Creek Ledge

Canyon Creek

CANYON CREEK™

The Canyon Creek family is one of our most popular stones featuring rich colors ranging from chocolate brown, tans, and blue/gray tones — true to the Northern Rockies. Available in Natural Lite™ Thin Veneer and Full Stone.

CANYON CREEK LEDGE

Bighorn Creek Random

Bighorn Creek

BIGHORN CREEK™

Bighorn Creek has a wide range of rich multi-colored hues of rust, bronze and copper created from the stone's iron content. Its core is a blue gray. Available in Natural Lite™ Thin Veneer and Full Stone.

BIGHORN CREEK LEDGE

Bighorn Creek products should not be installed on or near a water feature or pool. Bighorn Creek products contain a certain amount of iron, thus bleeding may occur. Bighorn Creek products must be cleaned with a cement or stone cleaner and allowed to dry completely. Masons must be very careful not to mix too much lime or calcium in their mortar mix to avoid "bleeding". Masons should seal Bighorn Creek after it is set in mortar. Glacier Stone, LLC is not responsible for improper installation that results in "bleeding". There is NO WARRANTY against this stone "bleeding" by Glacier Stone Supply, LLC.

Bitterroot Random

Bitterroot

BITTERROOT™

The Bitterroot family of stone features vibrant hues of burgundy, rust, gold and bronze set against a neutral background of grays and browns. Available in Natural Lite™ Thin Veneer and Full Stone.

BITTERROOT LEDGE

Loon Lake Squares & Rectangles

Loon Lake

LOON LAKE™

Loon Lake comes in a wide array of colors including blues, greens, bronze, browns, tans and slate grays with subtle sedimentary striations. Available in Natural Lite™ Thin Veneer and Full Stone.

Glacier Mountain Ledge

Glacier Mountain

GLACIER MOUNTAIN™

This family of stone has a cream base with hues of gold, black and light grays running throughout. This stone features a unique dendrite fern pattern. Available in Natural Lite™ Thin Veneer and Full Stone.

GLACIER MOUNTAIN LEDGE

Buckskin Ledge

Buckskin

BUCKSKIN™

Buckskin is distinguished by a soft range of colors from tan to darker grays. Available in Natural Lite™ Thin Veneer and Full Stone.

BUCKSKIN LEDGE

Falls Creek

FALLS CREEK™

Falls Creek is a lighter toned product ranging from light tan to gold with occasional buff hues accenting the soft, warm textures. Available in Natural Lite™ Thin Veneer and Full Stone.

FALLS CREEK LEDGE

Falls Creek Ledge

Rocky Mtn Gold

ROCKY MOUNTAIN GOLD™

This is an exceptional building stone offering the beautiful warm color blend variety of browns, gold tones, bronze, tans and grays. This stone also features a unique dendrite fern pattern creating an additional signature look that will enhance the beauty of any project. Available in Natural Lite™ & Full Stone.

VALUE ENGINEERED PRODUCTS

VALUE ENGINEERED (VE) PRODUCTS

Glacier Stone Supply's Value Engineered (VE) line of products takes direct focus on providing a low cost natural stone solution for price sensitive building projects. In addition, all of our VE products feature the opportunity for additional reclaimed LEED points. These "Green" products are part of our zero waste program and help us to fully utilize our raw materials.

VE LEDGE

VE Ledge has at least one natural face with one or more sawn edges. The colors of VE ledge can be selected from our Canyon Creek, Bitterroot, Loon Lake, Glacier Mountain and Falls Creek products.*

*See individual pages for color descriptions.

VE BITTERROOT LEDGE

VE TUMBLED LEDGE

VE Tumbled Ledge has at least one natural face with one or more sawn edges. It has been tumbled to give it an old worn look. Colors are available in Canyon Creek, Bitterroot, Glacier Mountain and Falls Creek products.*

*See individual pages for color descriptions.

VE CANYON CREEK TUMBLED LEDGE

VE RANDOM THIN VENEER

Random Thin Veneer provides more of the Tuscan or Fieldstone look featuring the same beauty and colors in a more affordable shape. Available in Bighorn, Bitterroot, Canyon Creek, Glacier Mountain and Loon Lake.

VE BITTERROOT RANDOM VENEER

VE STILLWATER BLEND

Our VE Stillwater Blend is a very affordable natural split face stone featuring more of a neutral color palette blending well with any architecture. The split faces add character and provide a new unique look. This product is a great LEED solution.

VE STILLWATER BLEND

Our stone is a beautiful product of nature. Since no two stones are ever alike, colors will vary slightly. Photo swatches contained in this brochure may or may not accurately represent the actual stone due to reproduction and printing processes.
